Our Services - No Gap to Success!

Self-Assesment

- Through a set of questions in an online survey format, you will have to answer the same questions a consultant would do about the business topic you are interested.
- Our C3X platform processes and analyzes the responses automatically and in real time.
- It calculates how near or far you are from the "Desired state" based on industry benchmark.
- You obtain a priority list of things you need to do to get into the "Desired state".

\$9.99

Hourly Remote Consulting

- Our consultants will contact you to understand your needs, requirements and goals.
- Through a set of collaboration tools, our consultants will work with you on the business topic you are interested.
- Using our C3X platform, our consultants will process and analyze all the inputs. You will be able to see the progress in real time.
- You obtain a priority list of things you need to do to get into the "Desired state".
- Our consultants will provide you with a roadmap with low hanging fruits and short & mid-term recommendation to reduce or eliminate the gap to success.· Our consultants can help you to implement and execute the improvement actions.

\$80/Hour

Gap Analysis

- Through a set of questions in an online survey format, you will have to answer the same questions a consultant would do about the business topic you are interested.
- Our C3X platform processes and analyzes the responses automatically and in real time.
